

MATERIAL SAFETY DATA SHEET

1. PRODUCT NAME AND COMPANY IDENTIFICATION

Product Name: Camellia Seed Oil
Company Name: Ji'an Borui Spice Oil Co., Ltd.
Telephone Number: 0086-0796-8181760

2. COMPOSITION/INGREDIENT INFORMATION

Synonyms: Camellia Seed Oil
CAS No.: 68916-73-4

Hazardous components

Component	Classification
Camellia Seed Oil	
	<=100%

3. HAZARDS IDENTIFICATION

3.1 Classification of the substance or mixture:

Not a hazardous substance or mixture.

3.2 GHS Label elements, including precautionary statements

No data available.

3.3 Hazards not otherwise classified (HNOC) or not covered by GHS

No data available.

4. FIRST AID MEASURES

General Advice:

No data available.

Inhalation:

Provide fresh air immediately. Seek medical attention if discomfort occurs.

Ingestion:

Rinse mouth and drink plenty of water. Provide fresh air. Do NOT induce vomiting. Seek medical attention immediately.

Skin Contact:

Remove contaminated clothing. Wash skin with soap and water. Seek medical attention if any discomfort continues.

Eye Contact:

Immediately flush with plenty of water for up to 15 minutes. Remove any contact lenses and open eyes wide apart. Seek medical attention if discomfort continues. Continue to rise.

5. FIRE FIGHTING MEASURES

Extinguishing Media: Carbon dioxide (CO₂). Dry Chemical Powder. Chemical Foam. Unsuitable
Extinguishing Media: Do not use direct water jet on burning material.

Special Fire Fighting Procedures: Avoid inhalation of vapors. Self contained breathing apparatus and full protective clothing must be worn in case of fire. Containers may be cooled to avoid pressure increase.

Specific Hazards: In case of fire, hazardous fumes may be produced.

6. ACCIDENTAL RELEASE MEASURES

Personal Precautions:

Remove sources of ignition. Provide adequate ventilation. Avoid inhalation of vapors and contact with skin and eyes. Wear protective clothing as described in section 8.

Environmental Precautions:

Do not discharge into drains, water courses or onto the ground. Dispose of in line with Local authority guidelines.

Spill Clean Up Methods:

Cover with an inert, inorganic, non-combustible absorbent material (e.g. dry-lime, sand, soda ash). Place in covered containers and dispose of in accordance with current laws and Regulations.

7. HANDLING AND STORAGE

Usage Precautions:

Use in accordance with good industrial / laboratory procedures. Keep containers leak proof closed and dry.

Protect against sun/light, heat and open flame. Prevent spills and leakages to avoid slip hazard. Avoid inhalation of vapors and contact with skin and eyes.

Storage Precautions:

Store the product in cool (5°C) and well - ventilated environment in closed glass or aluminium containers.

Keep away from sources of ignition. Intrusion into soil to be avoided.

Provide suitable mechanical equipment for the safe handling of drums and heavy packages.

Electrical equipment and fittings must comply with local regulations.

8. EXPOSURE CONTROLS/PERSONAL PROTECTION

Engineering Measures:

Engineering methods to prevent or control exposure are preferred.

Methods include personnel segregation, mechanical ventilators and control of process conditions.

Respiratory Equipment:

No special measures required providing good ventilation is maintained. If vapour becomes high then use approved respirator.

Hand Protection: Wear protective (chemical resistant) gloves.

Eye Protection: Wear approved safety glasses.

Other Protection: Use solvent resistant overalls.

Hygiene Measures: Good personal hygiene practices are always advisable, especially when working with chemicals/oils.

Personal Protection: Avoid inhalation and contact with skin and eyes.

Skin Protection: Wear protective clothing in case of splashing

Environmental Exposure Controls: Avoid discharging into drainage water.

9. PHYSICAL AND CHEMICAL DATA

Appearance	Form: liquid Clear: yellow
Odor	It has slight camellia seed aroma
Relative Density	0.912~0.922
Flash Point (°C)	No additional data available
Refractive Index at 20°C	No additional data available
Melting Point (°C)	No additional data available
Boiling Point (°C)	No additional data available
Vapour Pressure	No additional data available
Solubility in Water at 20°C	No additional data available
Auto-ignition Temperature (°C)	No additional data available

10. STABILITY AND REACTIVITY

Reactivity: No additional data available.

Stability: Stable under normal storage and handling conditions.

Conditions to Avoid: No additional data available.

Materials to Avoid: Combustible and may give rise to hazardous fumes. Hazardous Decomposition

Products: No additional data available

11. OXICOLOGICAL INFORMATION

Acute Toxicity	No data regarding toxicity, but it must be considered and handled and should be dealt
Corrosion / Irritation	No additional data available
Serious Eye Damage Sensitization	No additional data available
Germ Cell Mutagenicity	No additional data available
Carcinogenicity	No additional data available
Reproductive Toxicity	No additional data available
STOT - Single Exposure	No additional data available
STOT - Repeated Exposure	No additional data available
Aspiration Hazard	No additional data available
Photo-toxicity	No additional data available
Other Information	No additional data available

12. ECOLOGICAL INFORMATION

Eco-toxicity: No data regarding Eco-toxicity, but it must be considered that this product may be dangerous for the environment.

Mobility: No additional data available.

Persistence & Biodegradability: No additional data available.

Bio-accumulation Potential: No additional data available.

PBT Assessment Results: No additional data available.

Precautions: Do not allow product to enter streams, sewers or other waterways.

13. TRANSPORT INFORMATION

Transport Hazard Classes: Not bound by transport regulations.

Proper Shipping Name: Not bound by transport regulations.

UN No. Road: Not bound by transport regulations.

Doc (H) 6 Pack group: Not bound by transport regulations.

Environmental hazards: Environmentally hazardous substance/marine pollutant.

UN No. SEA: Not bound by transport regulations.

UN No. AIR: Not bound by transport regulations.

14. DISPOSAL CONSIDERATIONS

Disposal Methods:

Collect and dispose of waste product at an authorized disposal facility.
Product remainders should not intrude soil or waters.

15. REGULATORY INFORMATION**SARA 302 Components**

SARA 302: No chemicals in this material are subject to the reporting requirements of SARA Title II, Section 302.

SARA 313 Components

SARA 313: This material does not contain any chemical components with known CAS numbers that exceed the threshold (De Minimis) reporting levels established by SARA Title II, Section 313.

SARA 311/312 Hazards

No SARA Hazards

Massachusetts Right To Know Components

No components are subject to the Massachusetts Right to Know Act.

Pennsylvania Right To Know Components

Component	CAS-No.	Revision Date
camellia seed	68916-73-4	

New Jersey Right To Know Components

Component	CAS-No.	Revision Date
Camellia seed	68916-73-4	

California Prop.65 Components

This product does not contain any chemicals known to State of California to cause cancer, birth defects, or any other reproductive harm.

16. ADDITIONAL INFORMATION

This information is provided for documentation purposes only. This product is not considered hazardous.

The complete range of conditions or methods of use are beyond our control therefore we do not assume any responsibility and expressly disclaim any liability for any use of this product.

Information contained herein is believed to be true and accurate however, all statements or suggestions are made without warranty, expressed or implied, regarding accuracy of the information, the hazards connected with the use of the material or the results to be obtained from the use thereof.

Compliance with all applicable federal, state, and local laws and local regulations remains the responsibility of the user.

This safety sheet cannot cover all possible situations which the user may experience during processing. Each aspect of your operation should be examined to determine if, or where, additional precautions may be necessary. All health and safety information contained in this bulletin should be provided to your employees or customers.
